TOP ASSISTANCE

24-HOUR ASSISTANCE

A tutor will accompany students in order to solve any problems and accommodate special requests during the duration of the summer school.

Each student will receive a handbook with safety instructions, city guide and emergency numbers.

CULTURAL ANIMATORS

Students will be supervised and assisted during their stay by our cultural animators, who will take care of all the recreational activities, sports and will accompany the group during the visits, labs, supporting teachers to provide the best assistance and safety group.

ORIENTATION

Our staff will provide a thorough orientation with information about the local culture, including a review of country- and program-related safety and security guidelines, presentation of the program and timetable.

TRANSFER

All transfer will be by private bus.
